Blue line represents the trim line. This is where your artwork will be cut or hemmed (banners).

Green line represents this templates safe area. Please make sure all text is within this area.

Pink line represents the bleed line. All artwork with color to the edge should extend past the trim line to the bleed line.
This will ensure your finished product does not have a white or uneven edge.

Please Note:

If your project requires mailing, you will need to allow
a 4"x2" area for mailing information.
